General Comments

C.7 COVID-19 presented ongoing challenges in this area as we experienced considerable enrollment transitions and turnover during the program year. Also, as families reengaged with providers following the pandemic, they experienced resistance from local and regional providers to meet 24 mo. screening requirements during Well Child Visits. With the help of our program's HSAC and local public health we are continuing outreach efforts to increase support for the completion of these Blood Lead-Level screenings.

Body Mass Index (BMI) – children (HS and Migrant programs)
