ENERGY PROGRAMS:

Energy Assistance Program (EAP): Assists income eligible renters and owners with their home energy costs. Eligible households receive assistance paid directly to their energy vendors. When funding allows, households that have an emergency/crisis with their energy needs can apply for additional assistance.

Energy Related Repair Program (ERR): Homeowners eligible for the Energy Assistance Program can apply for repair or replacement assistance with their heating system.

Weatherization Program: Available to renters and homeowners to help reduce a household's total energy costs and increase energy efficiency. Priority is given to elderly, high consumers, families with children and disabled persons.

FAMILY DEVELOPMENT:

Family Assets for Independence in Minnesota Program (FAIM): This is a matched savings program for individuals and families wishing to purchase a home, acquire or expand a small business, or for post-secondary education. Participants may save up to \$960 over 2 years which is then matched at a rate of 3 to 1 becoming \$3840.

Family Health: Services include health education and counseling, family planning (including birth control and contraceptives), physical exams, pregnancy & HIV testing, sexually transmitted infection screenings, Pap-smear and reproductive life planning. All services are confidential and no one is refused due to inability to pay.

Father's Resource Program: Offers free information and support regarding parenting time, custody, child support and paternity.

Free Tax Preparation: Free tax preparation for low-income families. Sites are open January – April and are available to all individuals and families that fall within the IRS annual guidelines.

Head Start & Early Head Start: Offers comprehensive services to pregnant Moms and families with children ages birth to five. The continuing success of the program is due to the philosophy and practice of working with the total child and the child's family through center-based (classroom) and home-visit activities.

Kinship Support Groups: Meet regularly to learn about resources and learn from one another about the unique issues involved in raising grandchildren and other relatives' children. Children participate in activities while adults attend the support group.

MNsure Navigation Services: This program offers assistance to customers by guiding them through the process of obtaining affordable health coverage through the MNsure health exchange.

Parents Love us Kids (PLUS Kids): This program is designed to provide a positive, physical and emotional safety for the exchange or supervised visitation of children by separated parents in cases where visitation would otherwise be difficult due to issues of conflict or abuse. Supervised telephone calls or Skype visits also available.

HOUSING PROGRAMS:

Affordable Housing Program: Partners with the MN Department of Corrections to build new homes. Homes vary in size and design and can be pre-purchased and built in any of West Central's service area.

Emergency & Accessibility Loan Program (ELP): Can be utilized if a housing emergency is identified that threatens household members' health and safety.

Foreclosure Prevention Counseling Programs: Serves households that are facing or are in danger of foreclosure working with the homeowner and lender until resolution is fully executed or denied.

Group Cares Camp: The Group Cares Camp is an intense week-long community project that focuses on small home repairs for home owners. Youth volunteers dedicate a week of their time to come into a community and fix steps, build wheel chair ramps, paint homes and more. This project is usually held in different surrounding communities every other year.

Home Buyer Education: These classes provide education on the people and processes involved in purchasing a home. Cost for classes are \$45 and a certificate is awarded at the end that assists participants in qualifying for various loan products.

Housing Counseling Programs: Provides assistance to first time home buyers in determining how much home they can afford, if they have an adequate credit score to qualify for a loan, what types of down payment and loan products they may be able to access and general information on the process and contacts involved in the home purchasing process.

In-Home Modification Program: This service is intended to make minor modifications of living space to prevent injury, promote safety and health of older persons, to assist them in remaining independent in their homes.

Lead Testing Program: The goal of this program is to detect and help prevent exposure of children to this hazardous, health-harming substance. A Certified Lead Inspector will come to your home to conduct a lead inspection and/or do a lead risk assessment that will tell you if there are any sources of serious lead exposure in and around your home.

Minnesota Rural and Urban Homesteading Program (MURL): MURL is a first-time homebuyer program for low to moderate-income families. These single-family homes will be sold on a zero interest contract for deed with no down payment required and house payments are based on 25% of gross monthly income.

Rehabilitation Loan Program (RLP): Assist qualified households afford basic improvements to the safety, livability, energy efficiency and accessibility of the home.

Transitional Housing: Help to stabilize homeless person's living situations and help them move toward maintaining permanent home. Case management services are required.

SENIOR PROGRAMS:

Appliance Repair and Replacement: Senior 60+ are eligible for repair or replacement of appliances, including: stoves, refrigerators, washers, dryers and microwaves.

Retired and Senior Volunteer Program (RSVP): Helps individuals 55 and older put their skills and life experiences to work for their communities. Allows you to select from a wide variety of volunteer opportunities while choosing the time commitment that works for your lifestyle.

Senior Exercise Groups: Offers senior exercise groups at several different locations.

Senior Homemaking, Chore and Home Repair Program: Offers seniors age 60 and over or the disabled in Otter Tail and Wadena counties meet needs for maintaining safe, healthy and independent living.

TRANSPORTATION PROGRAMS:

Ready Ride: An advanced reservation, door-to-door ride program that provides a safe, easy, reliable way to get qualified riders where they need to go without the hassle or risk of driving themselves.

Region Four Transportation Services (R4): Provides transportation services for parents with a diagnosis of serious mental illness/severe persistent mental illness. For medical rides, some restrictions apply. For non-medical rides there are no restrictions.

BOUNTIFUL BASKETS.....www.bountifulbaskets.org

Bountiful Baskets is a not-for-profit food co-op for families that want to have more fresh produce for less money. In order to participate, you must set up a free account on the website. Once you set-up your account, you pay your contribution fee (\$15 for a conventional produce basket filled with a half and half mix of fruits and vegetables or an organic basket for \$25) and choose a location to pick up your basket.

FARMERS MARKETS:

Looking for locally grown produce and foods for your family to enjoy? Check out the Farmer's Markets in your area! Please check to see if your local Farmer's Markets accept your EBT card.
