Parents observe, guide, promote, and participate in the everyday learning, other children at home, school, and in their communities.

### Positive Parent-Child Relationships:
Beginning with transitions to parenthood, parents and families develop warm relationships that nurture their child’s learning and development.

### LANGUAGE AND LITERACY

<table>
<thead>
<tr>
<th>4. Children will use and comprehend increasingly complex and varied vocabulary.</th>
<th>5. Children will demonstrate an appreciation of books and text, while increasing their print, alphabet knowledge, and phonological awareness.</th>
<th>TS GOLD Objectives</th>
</tr>
</thead>
</table>
| **Infants/Toddlers** | **Infants/Toddlers** | **8. Listens to and understands increasingly complex language.**
- Comprehends language
- Follows directions |
| **Preschoolers** | **Preschoolers** | **9. Uses language to express thoughts and needs**
- Uses and expanding expressive vocabulary |
| **TS GOLD Objectives** | **15. Demonstrates phonological awareness**
- Notices and discriminates rhyme
- Notices and discriminates alliteration
- Notices and discriminates smaller units of sound |
| **16. Demonstrates knowledge of the alphabet**
- Identifies and names letters
- Uses letter-sound knowledge |
| **17. Demonstrates knowledge of print and its uses**
- Uses print concepts |
| **18. Comprehends and responds to books and other texts.**
- Interacts during read-aloud and book conversations
- Retells stories |

# WCMCA Head Start School Readiness 2022-23

**COGNITION**

*Including Mathematics Development and Scientific Reasoning*

6. **Children will demonstrate understanding of spatial/prepositional words to identify and discriminate numbers and shapes, and count objects.**

   **Infants/Toddlers**
   - Shows awareness of more than one object in play
   - Uses basic words to refer to changes in amounts or objects (“more” or “less”)  
   - Explores how objects fit together, how they fit with other things and through space (a ball under a table)
   - Recognizes and matches basic shapes

   **Preschoolers**
   - Uses words to count and counts objects with a beginning understanding that the last number represents how many in the set.
   - Recognizes small sets without counting
   - Adds or subtracts small collections of objects, using manipulatives or fingers, with or without adult support

7. **Children will engage in discovery through exploration and observation, (predictions, reasoning, problem solving, cause and effect etc.)**

   **Infants/Toddlers**
   - Engages in simple repeated actions to reach a goal or solve a problem (reaching, rolling, dropping object(s)).
   - Explores similarities and differences between objects and people
   - Matches objects by similar or related characteristics, such as shapes, colors, or size or putting a toy bottle with a baby doll
   - Makes simple predictions about what will happen in routines and stories
   - Understands some cause and effect relationships (cup spilling, tower falling)

   **Preschoolers**
   - Tells others about past experiences and repeats simple rules about expected behaviors
   - Fills in, extends, or creates patterns with objects, sounds, and movements.

---

**PERCEPTUAL MOTOR AND PHYSICAL AND DEVELOPMENT**

8. **Children will demonstrate control of large muscles for movement, navigation, and balance.**

   **Infants/Toddlers**

---

**TS GOLD Objectives**

11. Demonstrates positive approaches to learning
   - Attends and engages
   - Persists
   - Solves problems
   - Shows curiosity and motivation
   - Shows flexibility and inventiveness in thinking

12. Remembers and connects experiences
   - Recognizes and recalls
   - Makes connections

13. Uses classification skills

14. Uses symbols and images to represent something not present
   - Thinks symbolically
   - Engages in sociodramatic play

20. Uses number concepts and operations
   - Counts
   - Connects numerals with their quantities

21. Explores and describes spatial relationships and shapes
   - Understands spatial relationships
   - Understands shapes

22. Compares and measures

23. Demonstrates knowledge of patterns

---

**Positive Parent-Child Relationships:**

*Beginning with transitions to parenthood, parents, and families develop warm relationships that nurture their child’s learning and development.*

**Families as Lifelong Educators:**

*Parents and families observe, guide, promote and participate in everyday learning, other children at home, school, and in their communities.*

**Families as Learners:**

*Parents and families advance their own learning interests through education, training, and other experiences that support their parenting, careers, and life goals.*

---

*Developed in alignment with the Minnesota Early Childhood Indicators of Progress, Head Start Early Learning Outcomes Framework, Parent Family Community Engagement Framework and Teaching Strategies GOLD*
**WCMCA Head Start School Readiness 2022-23**

**Infants/Toddlers**
- Uses simple actions to explore objects
- Adjusts grasp to use tools for different purposes

**Preschoolers**
- Performs tasks that require more complex hand-eye coordination (ex. cutting, writing, buttoning, and stringing beads)
- Demonstrates balancing skills
  - Sits and stands
  - Walks on Bean
  - Jumps and Hops

**Children will demonstrate fine motor strength and coordination.**
- Uses fingers and hands
- Uses writing and drawing tools
- Takes care of own needs appropriately

**5. Demonstrates balancing skills**
- Sits and stands
- Walks on Bean
- Jumps and Hops

**7. Demonstrates fine motor strength and coordination**
- Uses fingers and hands
- Uses writing and drawing tools

**Positive Parent-Child Relationships:**
Beginning with transitions to parenthood, parents and families develop warm relationships that nurture their child’s learning and development.

**Families as Lifelong Educators:**
Parents and families observe, guide, promote and participate in the everyday learning, other children at home, school, and in their communities.
