Important: If you wish another person to accompany you on your ride, no matter their age, we must have a completed Rider Application on file in our computers before that ride takes place. This is to comply with Minnesota state mandates which ensure the protection of our Riders and Drivers should a non-standard ride event occur. There is no additional fee to have an assistant, friend or family member accompany you on your ride.

Welcome

Dear Valued Rider,

Thank you for your interest in the Ready Ride transportation program. We are excited to have you as a Rider!

We have provided you with a few forms which need to be completed by you or your authorized power of attorney, then returned to us in the postage-paid envelope. We do need them returned to us before we can begin to request rides for you. This Rider Packet is for you to keep.

You will also see our fee schedule, effective January 18, 2021.

Please try to request all rides by Monday at noon for the following week or later. This gives us time to try to match your ride request with one of our dedicated, amazing volunteer drivers.

If you ever have any questions, please call or email me. The number for Ready Ride is 218-685-7433. I am available 8:00 am - 4:30 pm, Monday through Friday, excluding federal holidays. If a driver shares their cell phone number with you, then you are certainly free to call the driver as well, if you have a ride scheduled with that driver. Please do not call the drivers if you don't have a ride scheduled with them.

Again, thank you for allowing us to be of service. We look forward to providing you with the level of excellence for which we have become known.

Sincerely,

John Przybylski Administrative Assistant – Transportation john@wcmca.org

Rider Conduct

It is our mission to provide safe, comfortable and enjoyable ride experiences to all our valued Clients. You are the reason why we are here; it is our pleasure to serve you.

All riders are required to wear seat belts. Age-appropriate seat restraints are required for children.

To ensure a level of uniformity in behavior and to assist the program in maintaining its quality service, please read the following brief requirements. Then, sign at the end of the packet where indicated. Your participation and cooperation are greatly appreciated.

- 1. Avoid discussing controversial issues with your driver. Many people have very strong beliefs about:
 - Religious positions
 - Political matters
 - Racial issues
 - Social issues such as immigration, gender and sexual orientation, other countries of origin

NOTE: This list is not all-inclusive. As a reminder, we recommend keeping the conversation light and avoiding "hot-button" topics.

- 2. Please call Ready Ride directly to request a ride (218-685-7433); don't call the driver. After your ride is arranged, if the driver chooses to share their phone number with you, you may call them to discuss the ride.
- 3. No rides are guaranteed. It is preferred that Riders request a ride by Monday at noon for the following week to be able to better assist the riders and volunteers.
- 4. Use good judgment about eating, drinking or smoking in a driver's vehicle. It's always better to ask first.
- 5. When requesting a ride through Ready Ride, please notify us if you need to transport a pet with you. Some drivers might be allergic. Service animals are allowed all the time, but please notify Ready Ride if you will be accompanied by a service animal.
- 6. If you are accompanied by a spouse, friend or support person, we will note that on the ride information we email to you. If someone wants to accompany you but is not on the information sheet, simply explain that another person requires permission and call us.

- 7. Ready Ride will supply you with a File of Life card. Please carry this card with you when you use the Ready Ride Service. In case of a medical emergency, we want to be prepared to help you, to the very best of our ability, in the event you experience a medical issue. Additionally, if your File of Life card changes, please update us immediately.
- 8. Ready Ride holds the right to deny rides if riders do not follow this code of conduct.
