Transportation: \$25 | Door-through-Door Transportation: \$35

Door-through-Door Transportation: Drivers offer personal, hands-on assistance by helping passengers through the doors of their residences and destinations, as needed. This type of service includes several levels of assistance from opening doors and providing verbal guidance, to physical support. Persons with severe physical or mental disabilities typically use this service. Ready Ride may be up to 10 minutes early or late from the scheduled pick up time. In addition, to help sustain these services and to comply with grant funders, individuals will be asked to share in the cost of the service, or a portion of the cost, based on ability to pay. These *cost sharing fees will be based on a self-proclaimed net income as well as household size.

Household of one; Net income up to...

INCOME	COST PER MILE
Tier 1- \$12,060	\$.50/mile

Please note – Volunteer drivers use their own vehicles. Therefore, we are currently unable to provide rides for those who are not ambulatory. In addition, to provide for rider continuity of care, if the rider is being picked up at a medical facility and has received general anesthesia, our volunteer driver cannot act as the “discharged to” party. A rider’s friend or family member may accompany the driver to pick up the rider and assume responsibility for them, as acceptable to policies and ordinances in force at the time of the ride.
